Aspire and achieve

Friday 6th November 2026

WE ARE ASPIRING AND ACHIEVING TOGETHER EVERY DAY.

HELLO FROM MRS HUNTER

I wanted to say thank you for your ongoing support for our school family and for the many words of encouragement and commitment you have shared with me this week. Change can leave us feeling uncertain and apprehensive, as well as expectant and hopeful. As we move into this new stage of our school journey, I hope you will feel a continued sense of momentum as every day we seek to ensure we Aspire and Achieve so that everyone in our school family is able to flourish - children and adults alike. I am incredibly excited and proud to be the headteacher of Tweeddale at this time.

There is plenty to get excited about this term with our continued Warm Weekly Welcomes and many new opportunities and reasons for our children to love being in school every day. There will be many communications coming your way with updates, events and information. Please do keep an eye on your inbox as well as these weekly newsletters and our Instagram page so that you don't miss out on anything. We are determined to give you four weeks' notice for all that is happening in school and there is going to be a lot happening!

Have a great weekend and see you back in school **NEXT TUESDAY!**
