Volcano Poem

One of our Year 3 children Lexie Bleu has done an amazing poem and we would like to share it with you.

Volcanoes are as big as mountains
When I look up all I see are fountains of lava flowing down
burning hot all around
Ash falls from high above coating objects like a glove.
All I hear is shouts and screams
While high above the lava streams down the mountain fast and true
Burning, burning till it gets to you
By Lexie-Bleu
Year 3

Congratulations

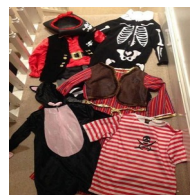

Congratulations to former Tweeddale pupil Lucy on her recent selection to the Team G.B. Climbing Squad. Lucy, now in Year 7 at Greenshaw, recently popped in to Tweeddale to catch up with her old teachers and share the exciting news. She has been climbing competitively for many years and, with climbing to be included in next year's Olympics, now has her sights firmly set on the 2024 Olympic Games! She is already the number one for her age group in the country - we shall watch her progress keenly. Well done Lucy!

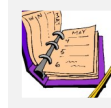

Dressing Up Clothes

We have recently had a theatre mural painted on the wall in the playground which looks fantastic. We would love to have any dressing up clothes that you may be throwing away so the children can dress up at lunchtimes and play with their peers.

Thank you
