

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Lateness

Being late for school reduces learning time.

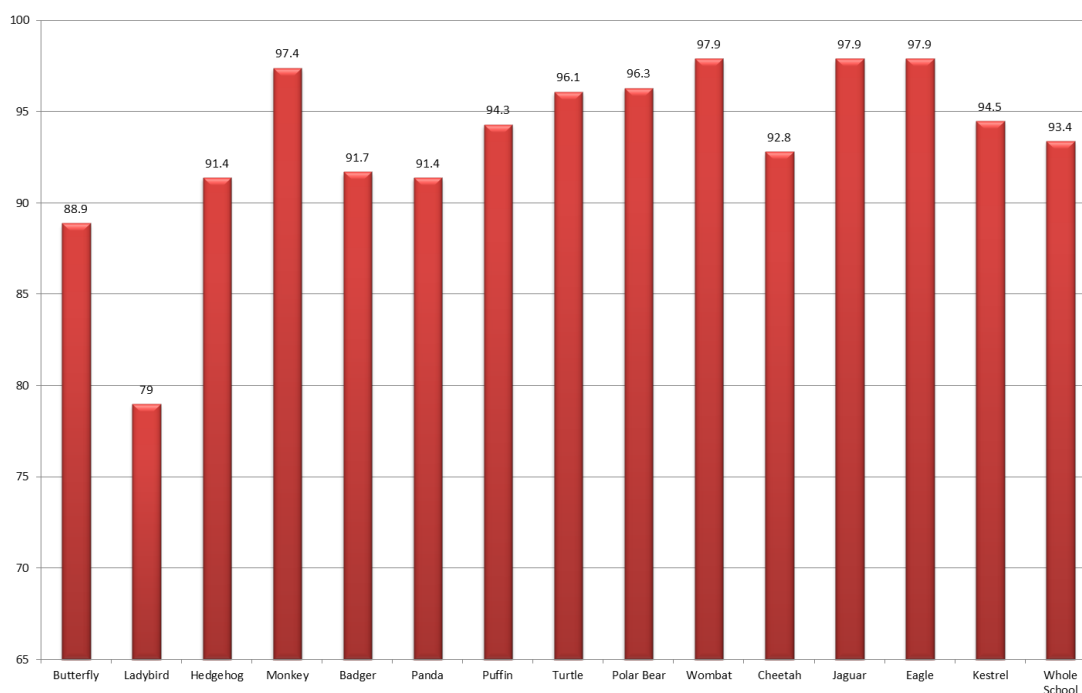

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Our weekly attendance last week was 93.4% our target is 96.5%

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

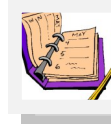

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day.

Future dates are available on our website

Dates for your diary 2019

FEBRUARY

Friday 15th February.....Break up for Half Term/EAL Drop in from 2.30-3.15pm
Monday 18th February.....Half Term

Friday 5th April.....Break up for Easter at 2pm (no late club today)

Winter coats, gloves and hats

With the winter well and truly upon us can you please make sure that your child comes to school wearing a named coat, gloves and hats.

Word of Week

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day .

Future dates are available on our website

Dates for your diary 2019

FEBRUARY

Friday 15th February.....Break up for Half Term/EAL Drop in from 2.30-3.15pm
Monday 18th February.....Half Term

Winter coats, gloves and hats

With the winter well and truly upon us can you please make sure that your child comes to school wearing a named coat, gloves and hats.

Word of Week

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

*Future dates are available on our website
calendar*

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Lateness

Being late for school reduces learning time.

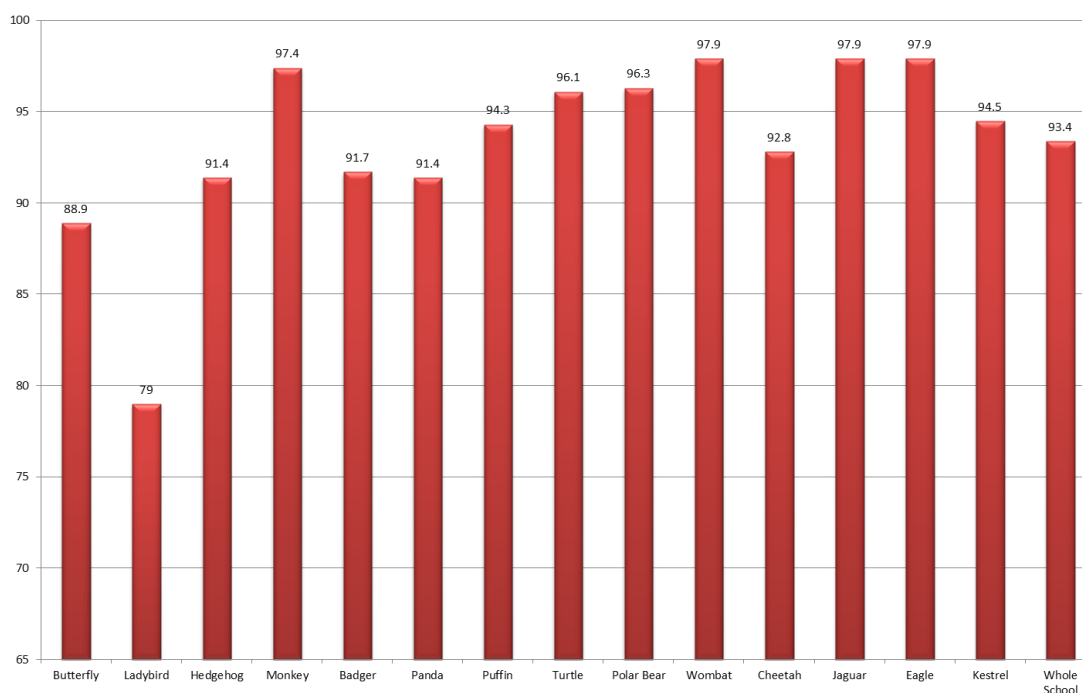

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Our weekly attendance last week was 93.4% our target is 96.5%

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

Being late for school reduces learning time.

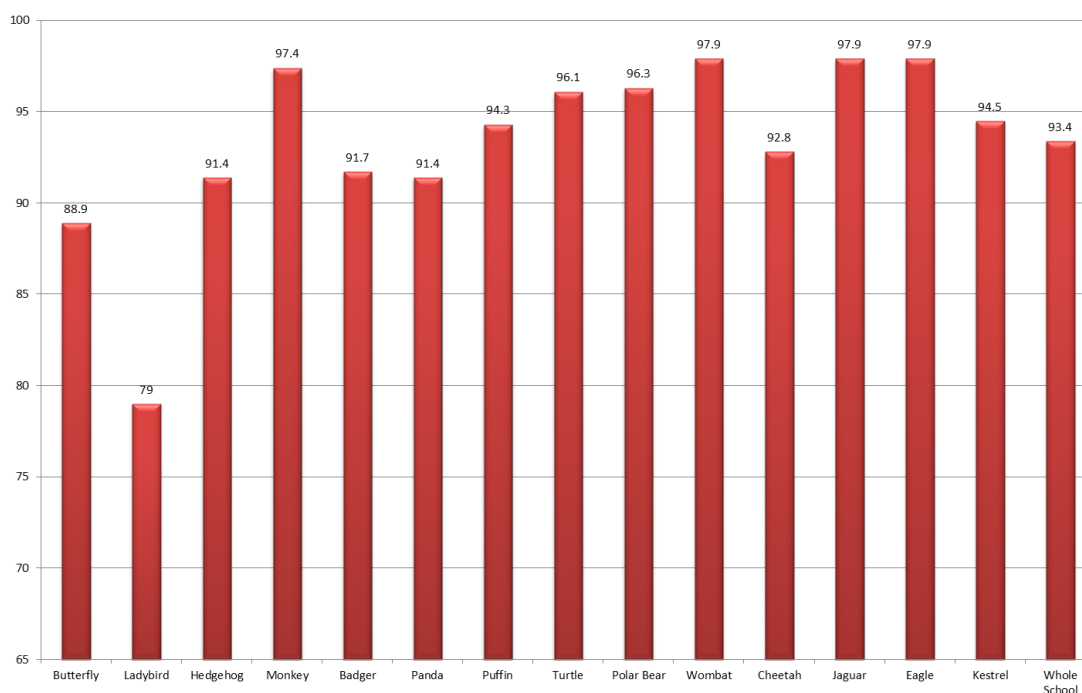

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Our weekly attendance last week was 93.4% our target is 96.5%

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day.

Future dates are available on our website

Dates for your diary 2019

FEBRUARY

Friday 15th February.....Break up for Half Term/EAL Drop in from 2.30-3.15pm
Monday 18th February.....Half Term

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

*Future dates are available on our website
calendar*

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Winter coats, gloves and hats

With the winter well and truly upon us can you please make sure that your child comes to school wearing a named coat, gloves and hats.

Word of Week

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

*Future dates are available on our website
calendar*

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Lateness

Being late for school reduces learning time.

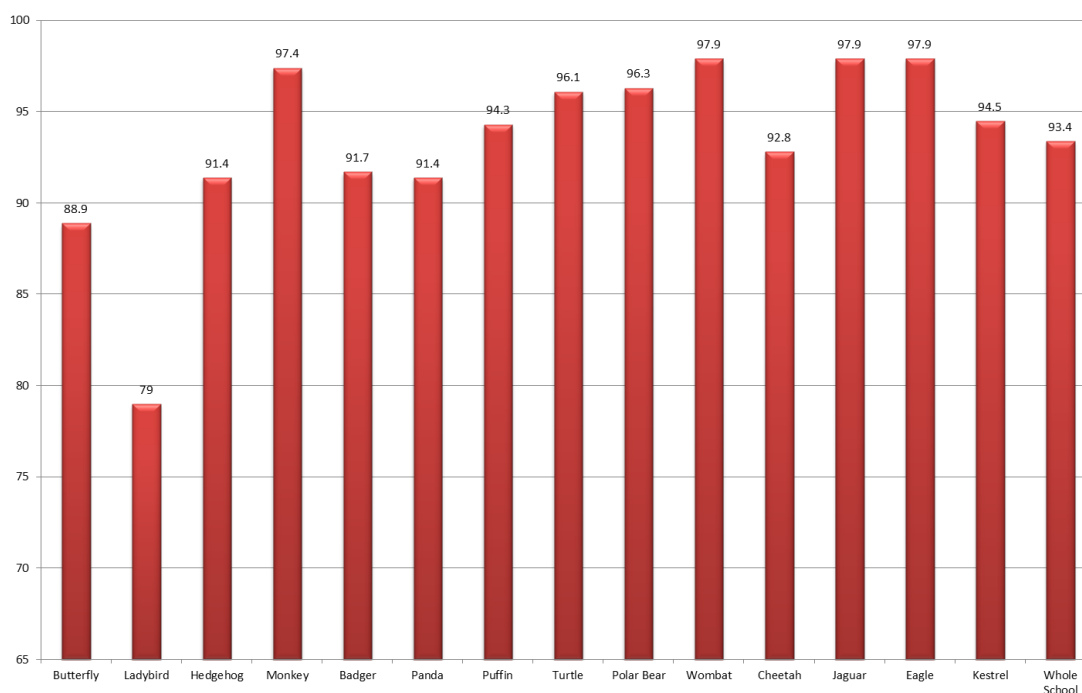

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Our weekly attendance last week was 93.4% our target is 96.5%

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

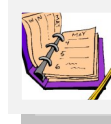

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day.

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

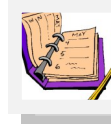

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day.

Future dates are available on our website

Dates for your diary 2019

FEBRUARY

Friday 15th February.....Break up for Half Term/EAL Drop in from 2.30-3.15pm
Monday 18th February.....Half Term
Monday 25th February.....Back to school and Book Fair this week

APRIL

Monday 1st April.....Class Photos. Full school uniform to be worn.
Friday 5th April.....Break up for Easter at 2pm (no late club today)

Winter coats, gloves and hats

With the winter well and truly upon us can you please make sure that your child comes to school wearing a named coat, gloves and hats.

Word of Week

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

*Future dates are available on our website
calendar*

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Lateness

Being late for school reduces learning time.

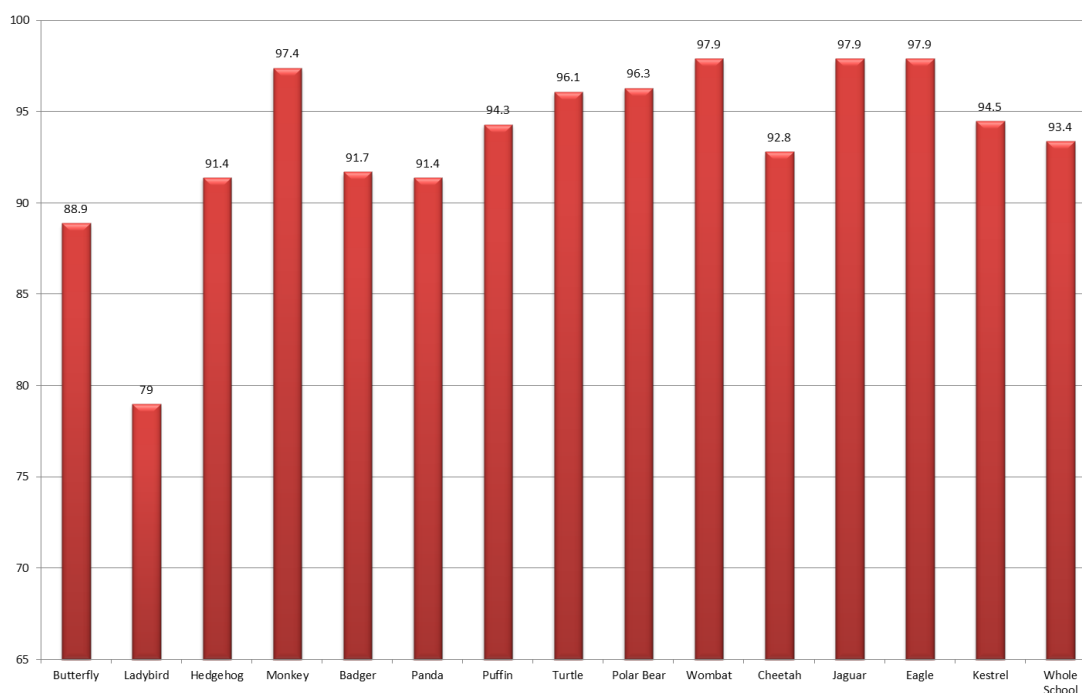

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Friday 29th March.....Reception trip to Hobbledown Farm/EAL Drop in 2.30-3.15pm

APRIL

Monday 1st April.....Class Photos. Full school uniform to be worn.
Friday 5th April.....Break up for Easter at 2pm (no late club today)

Winter coats, gloves and hats

With the winter well and truly upon us can you please make sure that your child comes to school wearing a named coat, gloves and hats.

Word of Week

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

*Future dates are available on our website
calendar*

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Lateness

Being late for school reduces learning time.

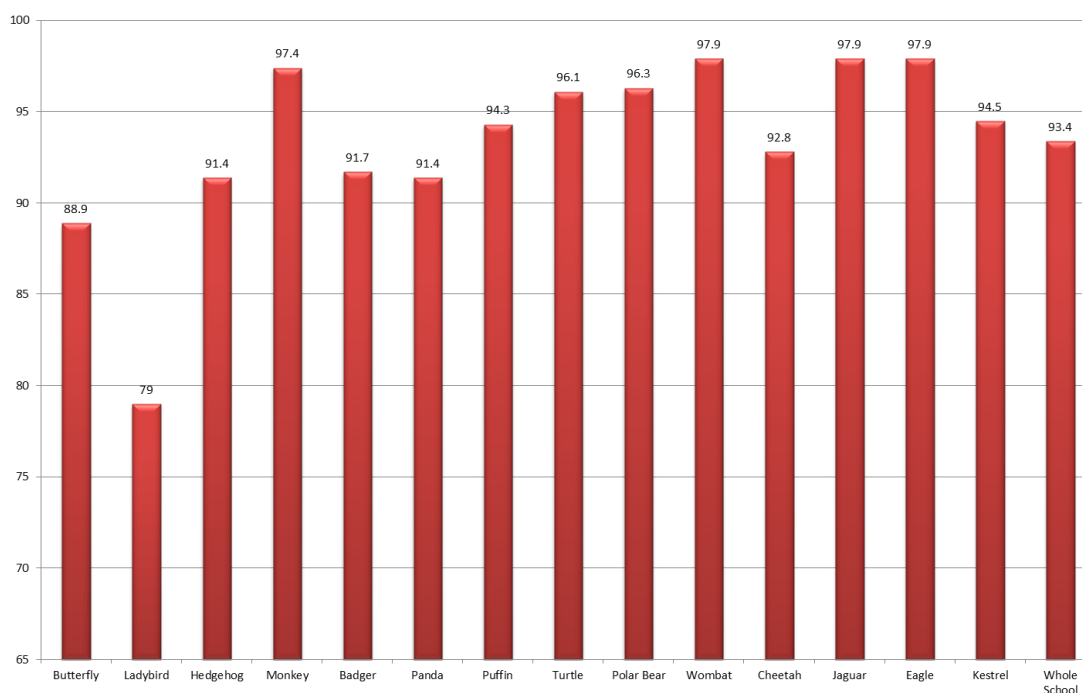

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Our weekly attendance last week was 93.4% our target is 96.5%

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day.

Future dates are available on our website

Dates for your diary 2019

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day.

Future dates are available on our website

Dates for your diary 2019

FEBRUARY

Friday 15th February.....Break up for Half Term/EAL Drop in from 2.30-3.15pm
Monday 18th February.....Half Term
Monday 25th February.....Back to school and Book Fair this week

MARCH

Monday 4th March.....SATS meeting for Year 2 parents at 9am or 3pm
Thursday 7th March.....World Book Day/ Parent Target Setting 3.30-5.30pm
Monday 11th March.....Parent Target Setting 3.30-7.00pm
Friday 29th March.....Reception trip to Hobbledown Farm/EAL Drop in 2.30-3.15pm

APRIL

Monday 1st April.....Class Photos. Full school uniform to be worn.
Friday 5th April.....Break up for Easter at 2pm (no late club today)

Winter coats, gloves and hats

With the winter well and truly upon us can you please make sure that your child comes to school wearing a named coat, gloves and hats.

Word of Week

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

*Future dates are available on our website
calendar*

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Lateness

Being late for school reduces learning time.

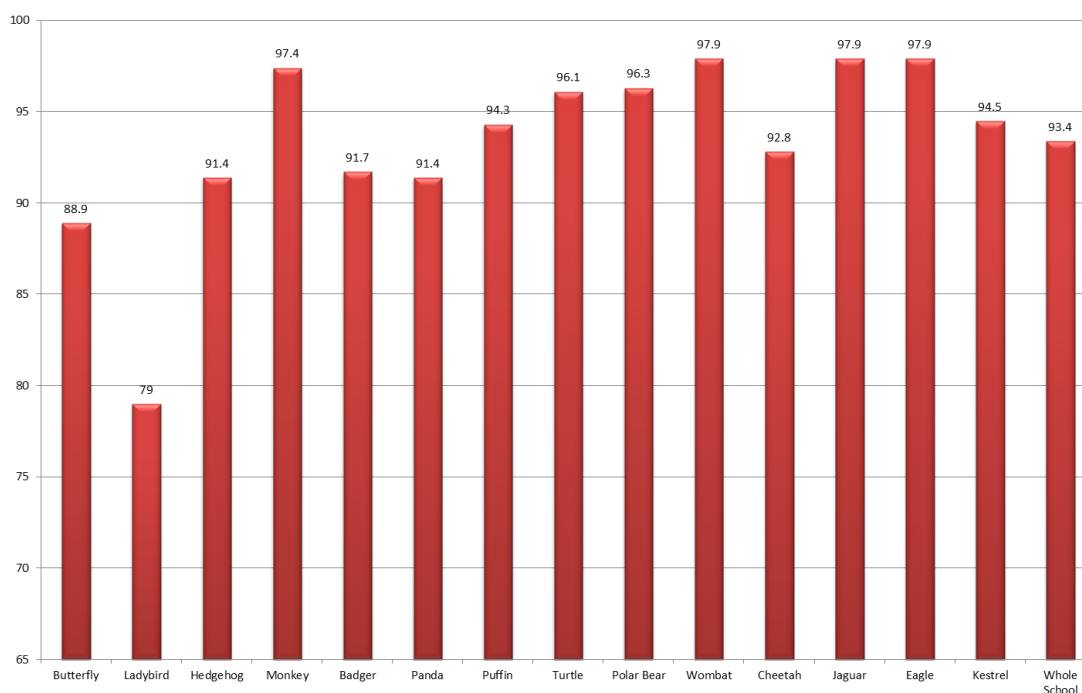

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Our weekly attendance last week was 93.4% our target is 96.5%

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Winter coats, gloves and hats

With the winter well and truly upon us can you please make sure that your child comes to school wearing a named coat, gloves and hats.

Word of Week

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

*Future dates are available on our website
calendar*

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Lateness

Being late for school reduces learning time.

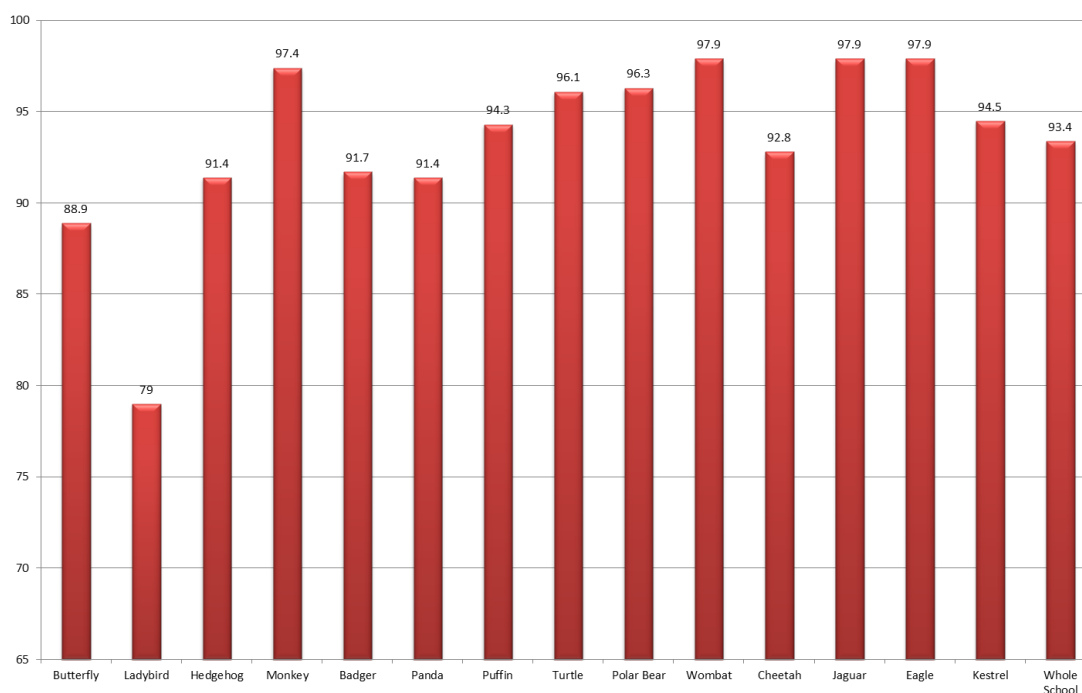

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Our weekly attendance last week was 93.4% our target is 96.5%

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

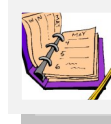

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day .

Future dates are available on our website

Dates for your diary 2019

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.

4. Choose to find out more

Be aware of how your data is being stored and used by the apps on your device. Check the terms and conditions before signing up to a new app and make sure you are happy with your current access rights for each app. Remember you can change these at any time by going into the settings of your device or the app itself and many services will still work even if you choose not to grant all of the access rights it asks for.

5. Choose to talk about it

If you are not sure what to do or how to respond to something that happens online, then talk to someone about it. This could be a close friend, parent, teacher or even a helpline like Childline

Writing Workshop for Year 3 & 4

On Tuesday 29th January, a group of children in Years 3 & 4 attended a writers' workshop at Cheam Library, hosted and run by professional author and performance poet Neil Zetter. The children picked up tips on how to be creative and imaginative with their use of language in writing, and not settle for using 'boring' words. Several of the children took the opportunity to buy signed books, during an enjoyable, successful day.

Future dates are available on our website

Dates for your diary 2019

FEBRUARY

Friday 15th February.....Break up for Half Term/EAL Drop in from 2.30-3.15pm

Winter coats, gloves and hats

With the winter well and truly upon us can you please make sure that your child comes to school wearing a named coat, gloves and hats.

Word of Week

Years 2-6.....Phenomenon
Foundation Stage and Year 1.....Event

Word
of the
Week

On Wednesday 30th and Thursday 31st January Year 6 Eagle And Kestrel Classes got the chance to experience a fantastic trip to Sky Academy Studios.

Every child had the opportunity to film and put together their own news report with the help of the Sky Academy Skills team.

The children were given a souvenir of memory stick wristbands containing the news pieces that they made. All the children had such an amazing experience and would thoroughly recommend the trip to everyone.

*Future dates are available on our website
calendar*

Dear Parents/Carers,

Ofsted

We hope you have now had a chance to read over the Ofsted report and are as pleased with the result as we are. Having a grade of 'Good' is an extremely proud moment for me, my staff and the governing body. It is as a result of all the hard work of my staff, the children, parents and the Greenshaw family.

Thank you for all your positive feedback and support.

Mrs Jerrom

Lateness

Being late for school reduces learning time.

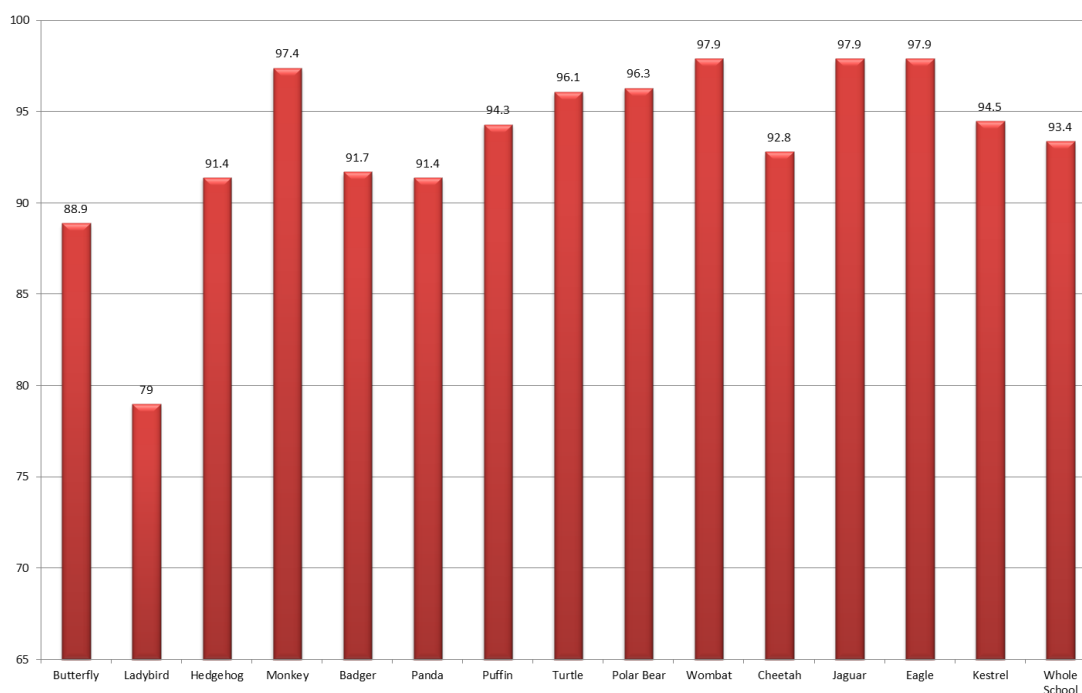

- * If your child is 5 minutes late every day they will miss 3 days of learning each year.
- * If your child is 15 minutes late every day they will miss 2 weeks of learning each year.

Last week some children were late totalling up to 488 minutes this equates to just over 8 hours in one week.

I think you would agree that this is not acceptable and children need to be in school on time for 8.45am.

Weekly Attendance for week ending Friday 1st February 2019

Our weekly attendance last week was 93.4% our target is 96.5%

Safer Internet Day

Safer Internet Day 2019 was being celebrated around the world on Tuesday 5th February 2019. The global theme is **‘together for a better internet’**. Everyone has their part to play in making the internet a better place.

Our internet, our choice, so...

1. Choose to ask for consent

Always ask parents and others before sharing something about them. If they say no, we need to respect their choice and be a good friend. This should include checking before posting a selfie of you and your friend or before adding friends into group chats where there might be people they don't know. Remember that things which we might think are okay or funny might actually worry or upset someone else.

2. Choose to be supportive and positive

You can inspire and support others by what you do and post online. If you see someone having a hard time online, offer them support and report posts or accounts that might be upsetting or offensive.

3. Choose to be in control

Take the time to look at the privacy settings of your favourite accounts. They can help you take control over the information and posts that you are sharing and ensure that you are happy with what information people can see about you online.
