

Dear Parents/Carers,

As this year comes to an end, I'm sure many of you won't be sad to see it finish. This year has created many hurdles and I'm proud of the way our children and staff have coped with all the changes. Attendance has been good and all the children returned to school with a positive attitude ready to learn. We do not know what challenges 2021 will present us with, but I am sure that we will all work together to ensure the continued education for all our children.

I would like to take this opportunity to thank all the staff here at Tweeddale for their hard work and flexibility providing creative learning opportunities for all our children. I would like to thank all the parents who encouraged their children to continue learning at home, from personal experience, I know that wasn't easy and finally I would like to thank all our children whose continued enthusiasm for school has inspired us to keep going.

I wish you all a very happy Christmas and I will see you all in the New Year .

Best Wishes

Mrs Jerrom
