

Dear Parents/Carers

We hope you are all okay and keeping well. As a school we have been open and working extremely hard during these unprecedented times. I would like to thank all my staff for their continuous hard work and hope you are continuing to work from home through Google Classroom.

We have recently had our playground refurbished and we cannot wait for the children to return to school and to hear our usual playground noise.

Please do not hesitate to contact the office if you need help during this time.

Best Wishes

Mrs Jerrom

Well done

Well done to Sophie from Year 5 and Katie from Year 2 who have been volunteering in the community during the COVID pandemic.

We are so proud of you girls!

New Playground

How lucky are we!!!!!!

During the pandemic we were lucky enough to have a brand new play ground.

Due to having the playground refurbished can we ask that no scooters, bikes or skateboards be used for the time being as we have been advised that at this early stage the floor could be become damaged.
