

Dear Parents/Carers,

It has been fabulous to welcome everyone back to school after the summer holiday. All the children looked really smart and were all keen to meet their friends and start the new year of learning. We welcome Ms Muschette to our teaching team in year 5.

At school we have been very busy. We have refurbished the boys toilets and the disabled toilet. We hope to be able to refurbish the girls toilets next year. The old chain link fencing has been replaced, making the entrance of the school look much nicer. The entrance has been painted. Unfortunately, the new railings are still in Germany, but we hope they will arrive soon, so we can have the scaffolding removed. I would like to thank Mr Higgs, for his hard work during the holidays organising the many contractors we had on site.
