

# The Tweeddale Times

Issue 8  
17 January 2025

---

Dear parents/carers,

Happy New Year! It has been wonderful to be up and running with the Spring Term! We are delighted to have a brand new boiler installed and we can teach and learn in warmth, whatever the outside temperature. Last week, each class devised a 'Class Charter' to support good learning behaviours in class. You may want to quiz your child on this and see how many points they already remember.

This term we are holding various courses and workshops to support parents and children in our community. I should like to commend these to you! The first one we are launching this term is the 'Being a Parent' Course run by the Local Authority's Parenting Service. This 8 week course is taking place at our school from **9am to 11.30am every Tuesday from 28 January** (coffee and biscuits provided). It is aimed at every parent who cares about their child and wants to invest in their upbringing. I believe it will be a great help to all of us and be delivered in a fun and relevant way by expert professionals. It is also completely free! A flyer is attached to this newsletter.

We will also be hosting a one-off parent workshop on Friday 28 February to help parents support children with anxiety. Further information will be sent out soon. Another date for your diary is our next Parents' Evening, which will be on Thursday 6 March.

Have a good weekend.

With best wishes,

Mr. Walters
