

13 June 2025

Dear parent/carer,

### **SCHOOL UPDATE: FRIDAY 13 JUNE**

We were so pleased that swimming has started once again in our wonderful, newly refurbished swimming pool. The new pool lining is working a treat and the water is nicely heated through our new eco-friendly boiler. It has been fantastic to watch the pupils enjoying their swimming lesson and refreshing themselves in the water. It is the perfect season to be swimming!

Another highlight of the week has been the visit by our Year 2 Wolf Class to the Sutton Sings Festival at St. Andrew's in Cheam. Our pupils sang their hearts out and we were so proud of them! We were grateful to the Sutton Music Trust to make this opportunity available to us. I must also add how well behaved our children were. They represented the school so well. Well done everyone!

This week in Year 1 the pupils have been completing a short Phonics Screening Check, which is an assessment organised by the government for all Year 1 pupils. Our children were tested one at a time and we were impressed by their effort. Again a big well done to everyone, in particular to Miss Dhillon for administering the tests so well. We received an unannounced monitoring visit by Sutton Local Authority and received a top 'thumbs up' rating in the way we ran the tests.

Next week the weather forecast is for more warm weather, so for next week only we ask that pupils only wear PE kit (even if they do not have PE on that day). If possible, pupils should bring a sun hat (with names written inside please!) and be creamed with suntan lotion if so desired before the start of school.

I wish you all a wonderful weekend.

Best wishes,

A handwritten signature in black ink that reads "Mr Walters".
