

18 July 2025

Dear parent/carer,

### SCHOOL UPDATE: FRIDAY 18 JULY

We made it! The summer holidays are finally here!

We have finished the year on a real high! Our Year 6 have had a wonderful time on their 5-day Residential Trip, showing resilience and positivity as they tackled all the challenges they faced - including climbing, laser tag and archery. The staff team have been magnificent in offering support and encouragement, sometimes following nights of minimum sleep. Well done everyone!

Another highlight of the week was the FA Cup trophy coming to Tweeddale! We were grateful to the Palace for Life Foundation, with whom we have close contacts, for showing off their silverware with us. We held a school assembly and learned more about the trophy and how the Foundation is supporting our community in so many ways.

So now we head off into the holidays... While many of us are enjoying a rest, the school will be far from quiet. There will be some major renovations taking place and Mr. Higgs, our amazing Premises Manager, will be busy managing all the contractors. The school will look amazing in September!

We wish you all a wonderful summer holiday. School restarts on **Wednesday 3 September** and we look forward to seeing you and your children again then. For our Year 6 parents, we wish you all the very best and please come back and say 'hello'.

Please keep safe and thank you for all your support this year!

Best wishes,

Mr. Walters  
Headteacher
