

23 January 2026

Dear parent/carer,

**SCHOOL UPDATE: FRIDAY 23 JANUARY 2026**

We have had another full and exciting week of learning at Tweeddale! Our school value of the week this week has been 'positive' and I took time on Monday to speak to the children about how to not give up when things get hard. I shared the story from one of my own daughters who found it hard to learn to rollerskate. After perseverance (and a few scratches) she managed to learn the skill really well. Today I had the pleasure of handing out many Star of the Week certificates to pupils who had shown positivity in their learning. Well done everyone!

We have continued our 'Bee theme' this week, along the lines of our school rules of 'Be Ready, Be Respectful and Be Safe.' We celebrated some excellent behaviour during the week with bee stickers, so if your child comes home with a bee sticker, you will know why: great 'bee-haviour!' I have unfortunately had to delay the distribution of the Home-School agreement but once correctly formatted it will be coming your way very soon! On the theme of 'be safe', we have had a few dangerous incidents in the last few weeks around cycling or the riding scooters in the playground at drop-off and collection. Please may I remind everyone to walk their bikes and scooters while on the school premises. I am hoping to buy some more scooter and bike parking facilities soon,

Next week our school football team is back in action against local rivals Muschamp. Good luck, team Tweeddale! I look forward to some warmer weather so we can see more sporting fixtures taking place.

I wish everyone a lovely weekend!

Best wishes,

Mr. Walters, Headteacher
