

12 June 2026

Dear parent/carer,

SCHOOL UPDATE: FRIDAY 12 JUNE 2026

It has been a week of some impressive learning across the school! Some classes have been completing some assessments in Maths and Reading, while pupils in Year 1 and some in Year 2 have completed their Phonics Screening Check. In Year 5, the pupils have had a wonderful trip to the British Museum today. Thank you for all the parental support we received for this!

The Year 6 pupils continue to work hard on their writing and in the afternoons have been turning their hand to clay modelling. Some of the work they have done has been outstanding!

Next week, our two members of the Trust Pupil Parliament - Faizan and Dhanya - will be convening at St. Peter's School in Croydon for another meeting. One of the outcomes of their meetings has been the introduction of 'Green Hour' across all schools in the Trust. This is when lights are turned off at 2pm every Friday until the end of the school day. This is a great initiative, which saves pounds and energy! We have been proud to introduce Green Hour at our school.

I wish you all a brilliant weekend. Best wishes,

Mr. Walters, Headteacher
