

10 July 2026

Dear parent/carer,

SCHOOL UPDATE: FRIDAY 10 JULY 2026

We are almost at the end of term and the excitement is building for the Summer holidays! The weather this week has certainly reminded us of high summer and next week we can expect more of the same - perhaps slightly cooler. We are still happy for pupils to come to school in their PE kit for the remainder of this term. PE lessons will continue as normal, with reduced demand on the pupils, but there is no more swimming in the final week. Mr. Higgs has done a remarkable job keeping the pool looking clean and fresh each day but now he needs a few days to prepare the pool for a summer break.

Today we had our Move Up morning, with pupils having the chance to meet their new teacher. In this morning's Move Up Assembly I spoke to all the children about change. I explained that change is how we grow and, even if it feels uncomfortable at times because we are stepping into the unknown, we can build our confidence by saying to ourselves 'I've got this!'

Next Monday (13 July) we will have a Transition Afternoon, where the pupils will again spend time with their new teacher. Please note that for Monday collection only, parents should go to their new class pick up point. We will send out further communication about this.

Next week we are also looking forward to the Year 6 production. In addition, I will be holding my Headteacher's Tea Party on Wednesday 15 July. This is a special invitation to all pupils who have received a Star of the Week certificate this half-term. These pupils may come to school, in their own clothes ('Mufti') on Wednesday.

On Friday 17 July, school finishes at 2pm. There is no Late Club on that day. Gates will open at 1.45pm and we will be formally standing in line to clap out the Year 6 pupils as they leave us for the last time. Parents are welcome to join us for that, at about 1.55pm.

Have a wonderful weekend! Best wishes,

Mr Walters

Mr. Walters, Headteacher

Attendance matters!	
Our attendance this week was: 90.5%	
Our attendance since September 2025 is: 91.5%	
Our attendance goal is: 92%	
Highest attending class this week in Years 3-6: Toucan	
Highest attending class in Reception and Years 1-2: Wolf
