Green Wrythe and Tweeddale Primary Schools Governing Body Governance Procedures

Approved by the Board of Trustees – 01 September 2021

Part A Introduction

- 1.1 These Procedures describe the structure and operation of the Governing Body - a committee of the Board of Trustees of the Greenshaw Learning Trust to which the Board of Trustees has delegated responsibilities for the governance of a school in the Trust in accordance with the **GLT Scheme of Delegation for Governance Functions** and as defined in the **GLT GB Composition of Governing Bodies**.
- 1.2 In these Procedures ‘governing body’ means that Governing Body; ‘governor’ means a member of that governing body; ‘Trustee’ means a Trustee of the Greenshaw Learning Trust; ‘school’ means the school or academy placed under the oversight of the governing body as defined in the **GLT GB Composition of Governing Bodies**; ‘the Trust’ means the Greenshaw Learning Trust; ‘Headteacher’ means the headteacher or principal of the school; and ‘GLT CEO’ means the Chief Executive Officer of the Trust or appropriate executive of the Trust acting on their behalf.
- 1.3 The Greenshaw Learning Trust is a company limited by guarantee and an exempt charity. The Trust is governed by the Board of Trustees. The Trustees are the Trustees of the charity and directors of the company; they are responsible for the operation and performance of all academies in the Trust; and may delegate powers and functions to committees including governing bodies, but retain legal responsibility.
- 1.4 The Board of Trustees of the Greenshaw Learning Trust has delegated powers and functions relating to the governance of the school to the Governing Body, in accordance with the **GLT Scheme of Delegation for Governance Functions** and the Trust’s policies and procedures, and subject to any rules, conditions or restrictions that the Board may from time to time place upon that delegation.

Part B Responsibilities and duties

- 2.1 All governors are under a duty to act in the interests of the school, to protect the assets, property and good name of the school, and to ensure that the resources of the school are used solely for the achievement or promotion of the Objects of the Greenshaw Learning Trust; that is ‘to advance education for the public benefit, by establishing, maintaining, carrying on, managing and developing schools offering a broad and balanced curriculum’.
- 2.2 Governors act collectively with other governors in the governing body and take equal responsibility for the decisions it takes. They exercise their powers in a primarily strategic leadership role and should not get involved in the day-to-day running of the school. They must put the interests of the whole school first, regardless of the route by which they became a governor.
- 2.3 The Governing Body has been given delegated responsibility for the three core functions of a

governing body identified by the Department for Education (DfE):

- Ensuring clarity of vision, ethos and strategic direction of the school;
- Holding the Headteacher to account for the educational performance of the school and its pupils, and for the performance management of staff; and
- Overseeing the financial performance of the school and making sure its money is well spent.

- 2.4 Governors need to understand their role, review and evaluate the effect of their work, and develop their skills.
- 2.5 The governing body is responsible for ensuring that high standards of corporate governance are maintained. Governors and non-governor members of committees should act at all times with honesty and integrity, in accordance with the Nolan principles of public life and the **GLT Code of Conduct**. They must respect confidentiality and recognise potential conflicts of interest and be ready to explain their actions and decisions to Trustees, staff, pupils, parents and anyone with a legitimate interest in the school. Governors and non-governor members of governing body committees must abide by the **GLT Declaration of Interests Policy**.
- 2.6 The governing body must ensure that the school has due regard to the need to eliminate unlawful discrimination and to promote equality of opportunity in the area of race, disability, gender and sexuality, and to follow the provisions of the relevant legislation.
- 2.7 Governors must act in accordance with, and ensure that the school is managed in accordance with, the Memorandum and Articles of Association and the Funding Agreements of the Greenshaw Learning Trust, with these Procedures and with the policies and procedures determined by the Board of Trustees, and with all relevant legislation and regulations.

Part C Composition of the governing body

- 3.1 The composition of the governing body is defined in the **GLT GB Composition of Governing Bodies**.
- 3.2 A Trust governor is a person appointed by the Board of Trustees of the Greenshaw Learning Trust; when proposing the appointment of a Trust governor, the GLT CEO shall consult with the chair of the governing body and Headteacher.
- 3.3 A parent governor must be a parent of a registered pupil at the relevant school at the time of their election; parent governors are elected by a secret ballot of all parents of registered pupils at the relevant school.
- 3.4 A parent includes any individual who has or has had parental responsibility for, or cares or has cared for, a child or young person under the age of 18 who is a registered pupil at the relevant school, and is involved in the full-time care of the child on a settled basis, irrespective of their relationship with the child.
- 3.5 If insufficient parents stand for election, the GLT CEO must fill the vacancy by appointing a parent of a registered pupil at the relevant school; or if this is not practical, a parent of a registered pupil at another school under the oversight of the governing body; or if this is not practical, a parent of

a registered pupil at another school in the Trust; or if this is not practical, a parent of a child of compulsory school age. Before appointing a governor in this way, the GLT CEO must consult the Chair of the governing body and Chair of the Board of Trustees. The appointment can be for a shorter term pending a further attempt to identify a parent governor by election in accordance with clauses 3.3 and 3.4.

- 3.6 A staff governor must be a person employed as a member of staff by the Trust and is on the Trust payroll and is contracted to work at the relevant school; a staff governor will cease to be a governor if they cease to be so employed.
- 3.7 Staff governors are appointed by the governing body following a secret ballot of all staff at the relevant school.
- 3.8 If insufficient appropriate members of staff stand for the ballot, the GLT CEO must fill the vacancy by appointing an appropriate member of staff at the relevant school, or an appropriate member of staff at another school under the oversight of the governing body, or a member of staff at another Trust school, or a recognised staff representative who they believe will have the confidence of the staff of the school. Before appointing a governor in this way, the GLT CEO must consult the Chair of the governing body and Chair of the Board of Trustees. The appointment can be for a shorter term pending a further attempt to identify a staff governor in accordance with clause 3.7.
- 3.9 A community governor is a person appointed by the governing body to reflect its local community and stakeholders. Before proposing to appoint a community governor the governing body must have regard to its duties and functions, the skills and experiences of its other governors and any gaps that may have been identified, and the Governing Body Clerk and Chair of the Governing Body must consult with and take account of any advice from the GLT CEO.
