

Sutton Community Foodshop

The Foodshop is a community membership scheme for £3 per week.

How we do it

Food is donated by individuals and from surplus stock from supermarkets. Members are able to choose food from a mix of fresh, chilled, frozen and non-perishable items, worth significantly more than the membership fee.

To access it you need to:

- Be struggling on a low income
- Register online or in the shop:

www.suttoncommunityworks.org/community-foodshop

The shop is open at the St Nicholas Centre Sutton* on Thursday, Friday and Saturday from 10-12

*The shop is located on the ground floor between Sean Hanna and Deichmann
