

## TWEEDDALE PRIMARY SCHOOL

Report from Terrie Jerrom, Headteacher and Rachel Digman, EYFS Leader, Tweeddale Primary School for Governing Body meeting on 15.03.2023.

#### Purpose

This report will provide a summary of the school's Early Years provision

#### Context

The Governing Body should have regard to the Early Years Statutory Framework, September 2021 to ensure that the school is meeting the school's legal requirements and is informed by the requirements set out in the document.

The Governing Body should ensure that their school is using the Trust Early Years Vision to develop and improve provision in their school so it is of the highest standard and providing our children with the best possible learning opportunities and outcomes in their early education.

The school Foundation Stage Statement is included as an appendix to this report and must also be published on the school website.

## **Recommendations to Governing Body**

The Governing Body is recommended to:

- a. Consider the report and note the actions the school is taking to meet the requirements of the Early Years Statutory Framework.
- b. Approve the School's Foundation Stage Statement (appendix A)

#### Appendix B:

## **Greenshaw Learning Trust Early Years Vision**

We are committed to providing the best possible early education for all our children in Greenshaw Learning Trust.

#### The unique child

We want our children to be **independent** thinkers and effective **communicators** who are **capable**, confident and self-assured. We want our children to be constantly developing their curiosity and resilience whilst learning to be strong through positive relationships where there is equality of opportunity for all.

#### **Enabling environments**

We believe in providing all children with a safe and stimulating environment that builds on each individual's wants, needs and interests. We value the importance of our outdoor and indoor environments and believe that these offer children the opportunity to think **creatively** and **critically** and develop problem solving skills.

#### Learning and development

Our children have the opportunity to learn through play. Learning will be active, engaging and suitably challenging; recognising that children develop and learn at different rates.

Adults provide **high quality interactions**, are role models for learning, teach children skills and provide experiences which ensure their well-being and success now and in the future. Fundamental to this is consistently **high quality learning opportunities** that develop a rich vocabulary, practise and review skills and knowledge so that what children know, can remember and do is strong. Our children benefit from strong partnerships between all adults and parents/carers.

#### **Characteristics of Effective Teaching and Learning**

Through playing and exploring we want children to be given opportunities to investigate activities with a 'have a go' attitude. We expect learning to be active and encourage children to use their own ideas and make links within their learning by creating and thinking critically.
