Reception 2020/21

Dear Parents/Carers

Welcome to Tweeddale Primary School. Thank you for choosing to send your child to Tweeddale, we are sure you will not be disappointed. At Tweeddale our Foundation Stage has been judged as Good by OFSTED. We are very proud of the high standards our children achieve and look forward to working with you to teach your child. Our Aims and Values are available on our website, but in summary are that we believe that happy children learn.

During this difficult time, we are not going to be able to have the usual induction processes in place to help your child prepare for school. However, we have a few new ideas which we plan to introduce during the coming months to make starting school an exciting time in September.

On our website page "New to Reception", you can find a virtual tour of the Foundation Stage, Reception Classrooms from Rachel Digman, our Foundation Stage Leader. We also have a few dates to help you prepare for your child's next steps in their learning. During June, you will be invited to meet your child's teacher, either in person at the school or via a google meets online conversation, depending on the lockdown procedures in place at that time.

It is unlikely that homevisits will go ahead in September. We are planning to provide an opportunity for you to visit the school with your child prior to the Foundation Stage unit opening in either July or September.

We are aware that your child may not have been to nursery for a long period of time and would like to reassure you that this will be taken into account with the educational provision that we will be providing.

In the meantime, if you have any questions or concerns please feel free to email Miss Digman via the school email address office@tweeddaleprimary.sutton.sch.uk and she will answer your query or direct you to the appropriate person.

We look forward to meeting you and your child.

Yours Sincerely

Terrie Jerrom
