

Dear Parents/Carers,

Please be aware that you are allowed onto the site a **maximum of five minutes** before your child/ren's house drop-off or collection time. This will be dependent on whether the previous group of parents have vacated the playground.

Therefore, please do not arrive expecting to be let in five minutes before your time as this may not necessarily be the case. To avoid standing around/waiting we suggest you arrive just before your drop-off collection time.

To be clear, you may be allowed in five minutes before your time, but this may not be the case if the playground is busy. Please arrive just before your entry time to avoid waiting.

Thank you for your support.

The Tweeddale Team
