

Dear Parents/Carers,

### School Kitchen

A warm welcome to our new school cook, Mrs. Margaret Mason, who joined us on Tuesday.

### Summer Sun Safety

Our children have been reminded about being safe in the sun, to protect their skin. Please keep an eye on the weather forecast and provide children with hats and clothing which protects their shoulders on very sunny days. Children are welcome to wear sun glasses on bright days, but please make sure these are good quality and provide UV protection.

### Theme Lunches

Two more theme lunches are being held. The first, on June 24<sup>th</sup>, is to celebrate Wimbledon and the second, to celebrate America's Independence Day is, of course on 4<sup>th</sup> July.

Children who do not normally have a school dinner are welcome to join the others on those days.

Please book and pay for the lunch a week in advance so Mrs. Mason can order the right amount of supplies.

### Reading At Home

Thank you to the great majority of you who regularly take the time to hear your children read at home. This has a real impact on children's ability to read well and with

understanding. The gap between children who are heard reading at home and those who aren't is significant. There's lots of advice on the internet and elsewhere, but the Book Trust's site is a good place to start <http://www.booktrust.org.uk/books/children/how-to-share-books/>

### Christmas Fair

Honestly – it's time to start thinking about the Christmas Fair. There was no Summer Fair this year because no one came forward to be in the Parents, Teachers and Friends Association committee to organise it. All parents and carers are automatically part of our school's PTFA, but we need some of you to take the lead in organising fund-raising and social events for our school. Please speak with Mrs. McDermott or Mrs. Barbury if you would like to play a larger part in the life of our school.

### Swimming Hats

Please make sure that you put talcum powder inside your child's swimming hat. It makes it much easier to put them on.

### Label your child's clothing

Please make sure that you write your child's name on the label of any clothing they wear to school. This is particularly useful when they are getting changed after swimming, but also means items can be returned to their correct owner if found.

### Swimming Certificate of Excellence

Well done to all those children who have been awarded their Certificate of Excellence for their hard work and achievement in swimming.

### Words of the Week

The Words of the Week for next week are: Melodious (Years 2-6)  
Musical (Foundation Stage and Year 1)

### Borough Sports

Well done to our track and field team, representing our school at the borough sports event on Wednesday. Unfortunately, this was the day of the deluge, so it was all brought to a halt half-way through.

However, before the heavens opened, our Y5 girls relay team came 1<sup>st</sup> in their heat, Lucy in Y3 came 2<sup>nd</sup> in her sprint event and Ella in Y4 came 3<sup>rd</sup> in hers. As always, our team was very well behaved and a credit to our school. Thank you to Miss Echlin-Smith and Miss Vali for their work with our athletes.
