

Dear Parents/Carers

We have had a busy 2 weeks at school. There has been lots of exciting events, including the Year 2 trip to the Tower of London. It is great to be able to take the children out of school for visits again.

Thank you to all parents who attended the Virtual Parents evening on Thursday 17th March. There is another parents meeting with the opportunity to come into school on Monday 21st March. If you would like to attend you can book an appointment using your child's google log in.

Thank you to everyone who donated essential items for the Ukrainian Refugee appeal. The items are being delivered next week.

Mrs Jerrom

### Lost Property

There is a lot of lost property. Please can you put names on your child's uniform as it can be returned to them a lot easier. Please name lunchboxes and water bottles as there are a few of them in lost property too.

### Office

We are presently looking to appoint Admin Assistant for the office.

Jobs are advertised on eteach. If you are interested and would like to know more about the role, please speak to Claire Godfrey.

### Spring hat Parade

We will be holding our annual spring hat parade in the main playground at 1.20 .

#### **Arrows Festival**

Last week, 10 children from years 3 and 4 spent Thursday afternoon at Carshalton Boys' to take part in an arrows festival. The children had the opportunity to practice their throwing and aiming skills with various types of target boards. Some were magnetic, some were velcro and some had pockets to get a bean bag into. All the children agreed that firing a bow and arrow at a target board was definitely the most fun of all! Well done to everyone who hit the centre spot.

### Foundation Stage

This week in Nursery, the children have been enjoying looking at the story of 'The Gingerbread Man.' The children have enjoyed making ginger scented play dough and loved making little gingerbread man of their own. During the walk to school week, the children in Reception noticed lots of daffodils on their walk to school and they have spent a lot of time talking about the season of Spring and also daffodils. The children have enjoyed painting the daffodils and mixing colours to make the colours they see. They have been looking at how daffodils change over time by looking at the life cycle. They then talked about how they have changed since starting school in September.

### Sports News

Tweeddale's boys football team played another match recently, against Bandon Hill Meadowfield. The first half was closely fought with action at both ends, but Archie M in goal proving a safe pair of hands when needed. Gradually, Frankie and Archie L began to dominate midfield and Tweeddale got the breakthrough when the goalkeeper misjudged a high kick, allowing Nathan to tap into an empty net. Soon after, Frankie made it 2-0 at half time, with a good finish into the corner. With the wind behind them, the second half was a bit more comfortable for Tweeddale. Tommy volleyed in a corner, Daniel scored from a tight angle and Tommy got his second, a fine left footed strike which was past the keeper before he had time to move! So, the final score was comfortable 5-0 win. Great team work all round, well done boys!

### KS1 News (Years 1 & 2)

Year 2 visited the Tower of London on 4th March. The children really enjoyed the trip as it brought their topic 'Towers, Tunnels and Turrets' to life. They visited the Crown Jewels and were amazed by the sights. They enjoyed climbing the narrow spiral staircase in the Bloody Tower. They were impressed with the Royal armoury in the White Tower. From the staircase they also had a view over the Thames and saw Tower Bridge and The Shard. They also visited the Torture Chamber and Traitors' Gate but were not too keen on the stories about this part. The children had a fantastic time and their behaviour was impeccable, they really made us proud.

### UKS2 News (Years 5 and 6)

It has been another busy week for Years 5 & 6. Selected children in Year 6 have been working hard with Mr Lacey who is running a programme called 'Team Mates' which helps to prepare children for high school and beyond. Some year 5 children have also been attending a programme with Mr Lacey called 'Sports Leaders' which helps them to develop skills in leadership and teamwork which they will put to good use when they work with children in younger years during lunchtimes when they run games and activities for them.

Mrs Wheeler has been working with Sutton Carers Centre and some of our children from Years 5 and 6 (and a couple from Year 4 too) on their project for Young Carers Action Day where the theme was 'Taking Action on Isolation' See the school's Twitter page for more information.
