

Dear Parents/carers,

Harvest Festival

Well done to all the children involved in our Harvest celebrations and thank you to staff for getting them ready. Thank you also to all the parents, carers and others who attended the celebrations and for the gifts of food for St. Paul's Close. Members of our School Council organised individual parcels and took them to the residents.

Parents/Carers of children in Year 6

A reminder that applications for secondary school places in September 2016 need to be submitted by 31st October 2015. Applications made after this date will be treated as late.

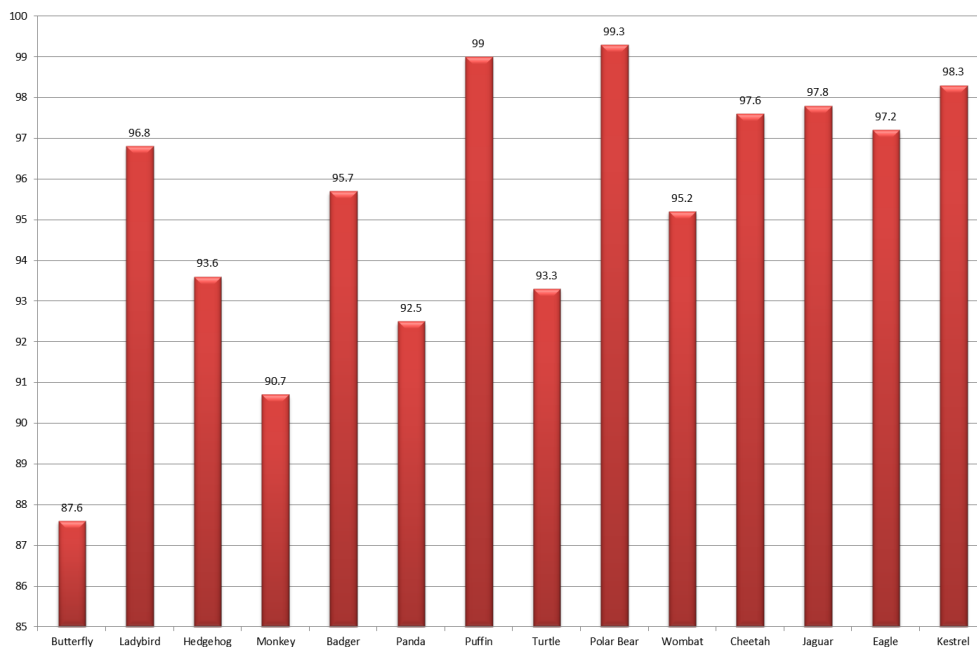

Eating Disorders and the Internet

Although this isn't a widespread issue among children attending primary school, a number of our older children have unsupervised access to the internet and social media. The parentINFO site has useful information and advice about this at <http://parentinfo.org/article/eating-disorders-and-the-internet>
