## Voluntary Contributions

We have had lots of queries regarding voluntary contributions for trips. The cost of trips that go ahead have been calculated on a per child basis and insufficient collection of funds may result in it's cancellation.

While payment remains entirely voluntary, please be aware that we are prohibited from purposefully overcharging in order to cover our costs and that we do not have the financial means to cover large-scale missing payments. Should the trip/event be cancelled, any payments received in good faith will of course be refunded in full.

As a school we would love to be able to finance pay for your childs trips and experiences, but we are financially unable to.
