Sun Safety

We remind our children about sun safety every year, but the last few days have shown how important that is:

SLIP on a t-shirt – make sure shoulders are covered

SLOP on sun cream – factor 30 or higher

SLAP on a sun hat – a legionnaire cap with neck protection or a wide brimmed hat is best

SLIDE on a pair of sunglasses – check that they offer UV protection

SHADE – find a shady place if it's too hot for you.

Attendance

In addition to the weekly award of a certificate and looking after Annie Attendwell for a week, the class (and only that class) with the highest attendance each half-term is given a non-uniform day. For our first winner, the class with the highest attendance up to the recent half-term holiday was chosen, and the was Puffin class, with 96.3%.

Our attendance target this year is 96% and only four classes, including Puffin class, are at or above that. The next dates will be from the start of this half of the term up to the Friday of the second from last week, so the winners get to have their day before the Summer Holiday.

A reminder that children who arrive after the registers close are counted as absent on their, and our, records

Roblox - A Guide For Parents

The UK Safer Internet Centre has produced a guide for parents whose children are using the Roblox gaming site. It explains how Roblox can be used to communicate with other users, what content is available on Roblox that might not be suitable for children and how children might accidentally run up costs while using Roblox. For more information, go to <https://www.saferinternet.org.uk/blog/roblox-guide-parents>

Bottle Donations and Summer Fair

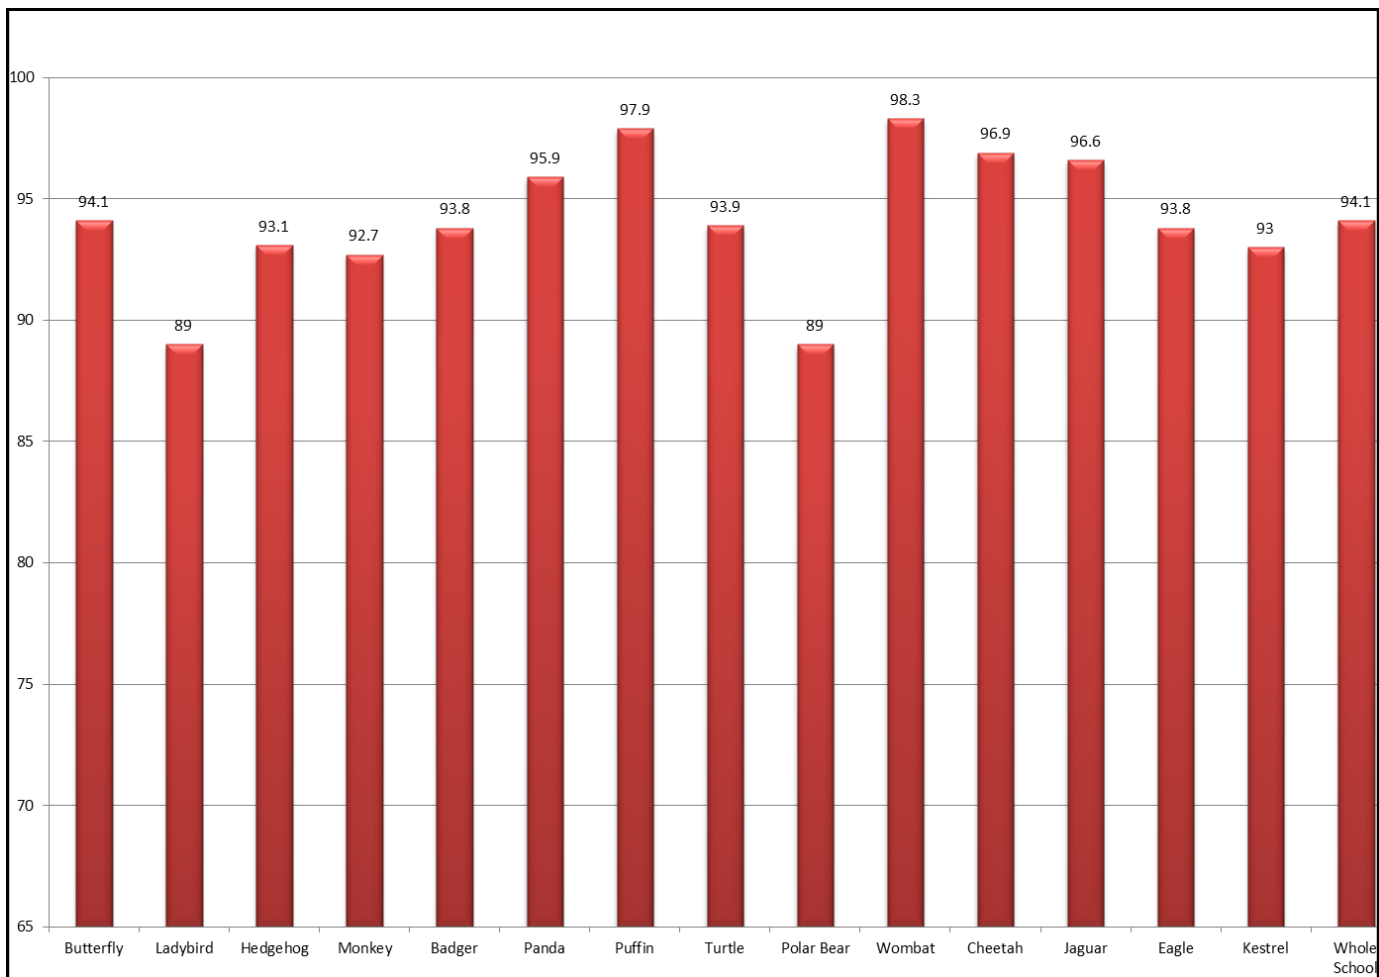

Thank you for all the bottles donated for the PTFA Summer Fair – they ranged from tomato ketchup to champagne. The PTFA committee still needs more volunteers for our Summer Fair on July 8th. If you are able to help, please speak with one of the committee or go the PTFA Facebook page at <https://www.facebook.com/tweeddaleptfa/>

Cyclist Training For Years 5 & 6

Sutton, in partnership with Kingston, is running a Summer Training Scheme for young cyclists. For more information, go to https://www.sutton.gov.uk/homepage/302/cycle_skills_sessions call 020 8547 5826 or e-mail cycling@kingston.gov.uk
