

Dear Parents and Carers

National Numeracy Parental Toolkit

National Numeracy has created a resource to help parents feel more confident in talking to their children about maths. The parent toolkit features useful advice, resources and information that have all been reviewed and carefully selected by National Numeracy's parental engagement team. <http://www.nnparenttoolkit.org.uk/>

National Numeracy is an independent charity that works to improve numeracy, or 'everyday maths', in adults and children in the UK.

Parents: Supporting Young People Online

Childnet International has produced information and advice for parents and carers on supporting young people online. This is available in English and in a range of community languages at <http://www.childnet.com/resources/supporting-young-people-online>

Roast Dinner

Next week, roast dinner will be served on Thursday instead of Wednesday. If your child would like a roast dinner on Thursday, please speak to the school office.

Macmillan Coffee Afternoon

Thank you to everyone who either donated or bought cakes at the sale on Wednesday afternoon.

Also, thank you to Mrs Wright who organised the event, which raised £165 for the charity.

'Think Then Click' E-Safety Rules

To help our children stay safe on-line, they are taught about the safe use of the internet and other technology. Each year, pupils sign a copy of our 'Think Then Click' E-Safety Rules to remind about their own responsibility for staying safe.

A copy of these documents are available on our website.

Instagram Guide For Parents

Connect Safely has produced a parents' guide about children using Instagram. The information is on our school website or go to <http://www.connectsafely.org/> for this and other information.
