

Mrs. Ghazala Zubair

As many of you know, Mrs. Zubair died on Saturday, after a long illness.

The funeral took place on Thursday and our school was represented by three staff members who knew her well. At school, we held a special assembly in which our children shared their thoughts and memories of Mrs. Zubair.

A number of you have already asked about a collection and, after a lot of thought, we will be buying an engraved memorial bench to go in a quiet area of the playground. If you would like to contribute toward this, please send your contribution, in a sealed envelope, with your child, or bring it straight to the school office.

NACE Summer Poetry Competition

Our school is a member of the National Association for Able Children in Education and NACE is running a poetry competition on the theme of 'summer'. For more information and ideas go to <http://www.nace.co.uk>. The closing date is September 25th, so there's lots of time and there will be a reminder at the start of next term. Poems will need to be handed in to school by Monday 21st September. The best two from each year group will appear on our website and will be entered into the competition.

Switched-On Computing E-Safety Competition

We use Switched-On Computing from Rising Stars for our Computing curriculum and the Switched on Computing team is challenging primary school children up and down the country to design their own e-safety poster.
