

### Open Afternoon/Evening for parents/carers and children - Monday 9th March

Please come to look around our school and see what your children are currently learning and how their learning will develop as they move through the school. There will be two presentations in the hall; one at 3:30pm and another at 6:00pm. We will be talking to parents/carers about the new curriculum and showing how this will impact on your children's learning. Each class teacher will be available to talk to parents about the learning in the class, not specific children. In the hall we will have information on Special Educational Needs, English as an Additional Language, Gifted & Talented and the PTFA. There will also be storytelling in the Library.

There's no need to book, just come along between 3:30 and 6:30pm.

### Red Nose Day - Friday 13th March

In support of the Comic Relief appeal, we are inviting our children to come to school wearing a Funny outfit - something that will bring a smile to everyone's faces. However, no football shirts are to be worn. Children can also wear their official Red Noses which are available from school for £1 each.

We know the children will enjoy taking part and we're asking for a minimum donation of £1 per child (all the money will go to Comic Relief and we will let you know how much was raised). Please remember that children will be taking part in normal school activities so outfits worn must be suitable and sensible for school.
