Chatterbox is a free parent & child activity available every week during term time. This drop in group is for families who would like help and ideas to support their child's speech and language development. We provide activities that enable you to play and talk with your child.

This is specifically targeted at the under 5's.

It takes place in the school hall on Thursdays
1:45-2:45pm.

A Speech & Language Therapist will be visiting Chatterbox on 11th November. If you have any concerns or need reassurance regarding your child's language development, you are welcome to drop in and see the therapist.
