

Dear Parents/Carers,

From 7th June 2021, the relaxing of distancing measures will allow for a longer school day. Therefore we are reducing the staggered start/finish of the school day from four to two slots.

These will be as follows:

Air/Earth: 08:40 - 15:10

Fire/Water: 08:50 - 15:20

This will also allow lunchtimes to return to pre-covid timings, however bubbles will remain in place. All other procedures/protocols will remain in place for the time being.

Thank you for your support.

The Tweeddale Team
