

Dear Parents/Carers,

Just a reminder that we will be finishing a little earlier than usual today as it is our second Parents Evening.

The closing times are as follows:

Air - 2:40pm

Earth - 2:50pm

Fire - 3:00pm

Water - 3:10pm

Please also remember that the appointments are virtual. You need to access them via the link in your child's calendar or in the email notification that will have been sent to their account.

**The appointments do not take place in person at the school.**

Thank you for your support.
