

Dear Parents/Carers,

Unfortunately, there are still a number of children who are wearing inappropriate earrings to school.

Please can we remind you that **only plain gold or silver studs** may be worn to school (**no stones**).

If a child is found wearing earrings that do not conform to our uniform policy, they will be asked to remove them and look after them at their own risk. Thus, if you are worried at about losing these earrings, we strongly suggest that they be replaced with appropriate studs or not worn at all.

Thank you for your support.

The Tweeddale Team
