

Dear Parents/Carers,

Thank you to the vast majority of parents who have supported our new policy of wearing a face covering on the school playground for drop-off and collection.

We have instituted this policy in order to minimise the chance of Covid spreading throughout our school population.

If we do not do everything in our power to achieve this, it will only result in part, or even the whole of the school, closing down.

By doing this we are protecting you as parents, your children, the staff at Tweeddale and the wider community itself.

If you have an exemption certificate, please display this visibly to easily inform those staff on duty in the playground.

We would urge that those parents still not following these rules to strongly reconsider and begin wearing a face covering. We have been extremely fortunate so far and only by collective diligence thus minimising the risk of transmission, will this continue.

We thank you for your continued support.

The Tweeddale Team
