

Dear Parents/Carers,

Please can we remind you that correct PE kit should be worn on the days when your child/ren have PE.

Correct PE kit consists of a plain black tracksuit top/bottoms (**no logos**), house colour Tweeddale T-Shirt, black shorts/leggings (**no logos**) and trainers/plimsolls. Grey tracksuits are acceptable until the end of this term (**no logos**). All tracksuits will have to be black from January.

We are aware that in the current climate this has posed some issues and we have been understanding of this up to this point. However, we are now finding an increasing number of children who are wearing inappropriate clothing.

If you have still not received your PE top from the school office, please try and wear a **plain** T-shirt of your house colour. If you do not have this colour, then please wear a **plain** T-shirt of another colour.

From Monday, any child wearing anything other than the correct PE Kit (or appropriate replacement T-shirt) will be given school PE kit to wear. This PE kit is washed between every use and therefore is sanitary for all children.

Thank you for your support in advance.

The Tweeddale Team
