Headteacher: Mrs Terrie Jerrom

World Food Recipes

Food is a vital part of our daily lives and is essential for life. Here at Tweeddale Primary School, our intention is to equip our children with the knowledge, understanding and skills to be able to feed themselves and others better. We want to inspire children to be inquisitive, creative, and confident in trying new foods.

In our fortnightly newsletters, we are going to showcase a recipe from around the world. This will be made up entirely of recipes submitted by you, your children, and staff of Tweeddale Primary School. It will include pictures, Ingredients, methods, and information about the food eaten at home or school.

Children will learn more about foods from all around the world and understand why in Britain we eat so many foods from so many different countries.

We hope that you find the recipes interesting, and it provides you with an insight into what other children are eating around the world. Maybe, just maybe, you could try making some of the recipes yourself? If you do, please send us a picture, and tell us what you think about what you've made, and we'll add your comments to our newsletter.

If you would like to submit a recipe, then please send it in with your child's name and class, Title, and Country of Origin, to be handed in to their class teacher who will pass it on to Mrs Murray our EAL Lead.

Let's wake up your taste buds with our amazing Tweeddale Recipes.

Many Thanks

Mrs T Jerrom
